

Department of Origin: Integrated Healthcare Services	Effective Date: 02/08/23
Approved by: Chief Medical Officer	Date Approved: 02/03/23
Clinical Policy Document: Transplantation, Designated Transplant Network Provider	Replaces Effective Clinical Policy Dated: 03/08/22
Reference #: MP/T006	Page: 1 of 1

PURPOSE:

The intent of this clinical policy is to provide coverage guidelines for transplants performed by a *designated transplant network provider*.

Please refer to the member's benefit document for specific information. To the extent there is any inconsistency between this policy and the terms of the member's benefit plan or certificate of coverage, the terms of the member's benefit plan document will govern.

POLICY:

The Plan may choose to consider a transplant facility as a *designated transplant network provider* even when it has not been assigned a center of excellence designation by a transplant network.

Benefits must be available for health care services. Health care services must be ordered by a provider. Health care services must be medically necessary, applicable conservative treatments must have been tried, and the most cost-effective alternative must be requested for coverage consideration.

COVERAGE:

- I. Benefits must be available for transplantation.
- II. The transplantation must be deemed medically necessary.
- III. Individual requests will be assessed on a case-by-case basis.

DEFINITIONS:

Designated Transplant Network Provider:

Any licensed hospital, health care provider, group or association of health care providers that satisfies the quality, outcome, and accessibility needs of the Plan and its members, and has contracted to participate as a designated transplant provider in the specific participating provider network designated by the Plan to provide benefits for organ or bone marrow transplant or stem cell support and all related services and aftercare for a member.
